**Subject:** 2014-09-30 ALJ's Decision Rec'g Rescission of FCI's temp APP to EPA (JLB)

Nancy,

As you know the temporary APP issued by ADEQ to FCI for the PTF has been under review as part of an administrative appeal. In our continuing effort to keep EPA apprised of the state action associated with this project, we are providing the ALJ's decision issued yesterday. Below is a link to the ALJ's decision and recommendation for rescinding ADEQ's issued temporary APP. We urge EPA to consider this decision and the issues raised in our previous informal comments to EPA in making the decision on FCI's requested UIC permit. If you have any questions or would like to discuss this, we remain open to doing so. Thank you for your professional cooperation.

Janis
